All About ROCK Wear

Why ROCK Wear?

We have decided to launch ROCK Wear to raise awareness of ROCK Ministries, to get people asking 'What is ROCK?' It is hoped that the more people wearing ROCK Wear the more likely people are to ask what it is all about. As a result we are selling the T-Shirts at close to cost price to spread the word as far and wide as we can. We are really excited about the potential of ROCK wear and look forward to seeing the designs around Clayton and surrounding (world wide) regions...

Made to Order:

The really exciting part of ROCK Wear is choice... You get to pick your design, color and size of your clothing and then we make it as you order it. That way you get the T-Shirt or Hoodie of your choice and we don't end up with a large amount of stock we have to get rid of.

How to Order:

Here are the details for ordering your personalised ROCK Wear.

Order forms:

Attached to the end of this document are the order forms for ROCK Wear. Please read the forms carefully and then fill in the required information. You can return the forms in the following ways:

1. Email - scan and email to james@rock.org.au
2. Mail - send to 3/27 David St, Noble Park, 3174

Payment Options:

There are a number of payment options (as is printed on the order forms). The important thing to note is that we **cannot** process your order until we receive payment. Once your payment has been received then we will place the order and get your clothing made.

3. **Cash** - If you happen to cross paths with us we can receive cash payments for your orders.
4. **Cheque** - Either in person or by mail
5. **Electronic Funds Transfer** - If you select this option then when you receive your confirmation of order email the account details will be given to you, to make payment. As was mentioned before we cannot process your order until we receive payment from you.

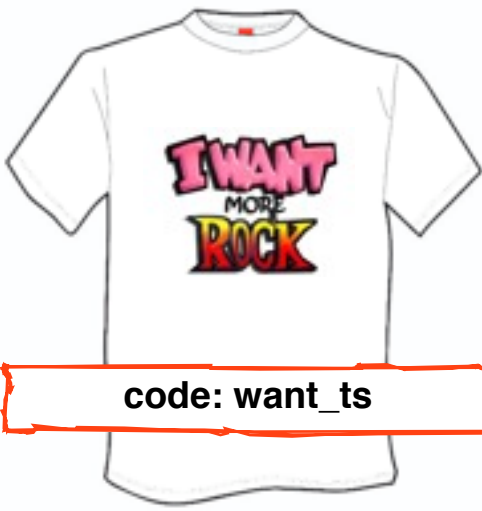

Pick up/Postage

We expect that it will take between 10 -15 business days to get your order processed and ready for you to wear. On the order forms you can either select to pick up your order or have it mailed to you.
